Mom, How Is Food Made?

Written by Judith Keulers

Holmwood's
online learning

Today Bruce and Mom
are at the supermarket.
Bruce asks a lot of questions.

“Mom, how do bananas grow?”
- “Bananas grow on a banana tree.”

“Mom, how do tomatoes grow?”
- “Tomatoes grow on a tomato plant.”

“Mom, how do lettuces grow?”
- “Lettuces grow on the ground!”

“I like the bananas the most.”
